For the egg hunt this year, the Easter Bunny decided to visit his undersea friends. Enter through the magical ship wreck of the Royal Chibbet into the undersea world. Fish, corals, sharks, sea horses and the mystical sea bunnies are a few of the things you will see as you pass through the undersea world collecting eggs and other items along the path.

Don't worry the magic associated with the Royal Chibbet will allow you to breath underwater. After exiting the undersea world, stop at the duck pond where the kids get one free pull of a duck to win a prize. Extra pulls \$1.00. Adult grab bags/hats are available for a \$5.00 donation. Lots of good stuff: lottery tickets, gift cards, tools, food and gag gifts available. The United Methodist Church of Latrobe Youth Group will provide the food. They are raising money for their many youth activities, so please support them.

This event is for the whole family Mom, Dad, Grandparents, Aunts, Uncles and older siblings, bring your neighbor too!

Sorry, only 10 and under pay registration and get the candy and goodies.
